

## REMARKS

An Amendment and Response to Restriction/Election Requirement was filed on March 26, 2007 in response to the communication mailed September 26, 2006. A Notice of Non-Compliant Amendment was mailed May 16, 2007. This submission responds to that Notice.

A new amendment is hereby submitted. The Notice of Non-Compliant Amendment was issued because not all claims were identified correctly after certain changes were made to the claims. In particular, the Examiner cites non-compliance of claims 95, 108, 110, and 119.

Claim 95 is now properly identified as currently amended.

Claim 108 has been amended to correctly show the spelling changes made.

In claim 110, the term -- and- - in line 10 has been removed.

In claim 119, the commas added in line 19 (after "particularly"), in line 22 (after "hydrogen"), and in line 24 (after "groups") have been removed. The deleted comma in claim 119, line 21 (after "groups") has been replaced.

It is believed that the new amendment submitted herewith is fully compliant.

The undersigned has not repeated the Remarks section from the previously filed amendment of March 25, 2007. In that section, Applicant responded to the restriction requirement and made an election of the claims of Group II (as discussed in the previous response) and an election of species as required.

The undersigned notes that on entrance of this corrected amendment, claims 1, 48, 53, 65-69, 78, 79, 82-84, 88-93, 95, 99-106, 108-111, 116, 117, 119-121, 123-126 and 128-177 are in this case.

The undersigned notes that the "Notice of Non-Compliant Amendment" mailed in this case indicated that this application was under "Accelerated Examination." This application is not under "Accelerated Examination." IT

appears that an incorrect form of the notice has been issued in this case. The undersigned respectfully requests clarification and confirmation that the application is not under "Accelerated Examination."

Conclusion

No fees are believed due for this submission. If this is not correct, please deduct any required fee, including any fee due for any Extension of Time required, to deposit account 07-1969.

Respectfully submitted,
